

Lesson plan			
Teacher	Kuo, Chia-ling	Date	May 21 st
Class	701	Number of Ss	19
Language focus	1. Reading comprehension: able to understand the article. 2. To express ideas about the topic—playing computer		
Ss' profile	1. Students will be familiar with the words of the reading. 2.		
Teaching Aids	Worksheet, e-book,		
Steps	Activities	Time	
Warm-up	CONNECTION 1. Ask students the question: “ What did you do this weekend?” 2. Students try to answer the question in English, and lead them to the topic of the reading—play online games	2 mins	
	DISCUSSION 3. Ask students the question: “How often do you play online games? “and give them some answer hints.	3 mins	
	4. After students answer the question, then lead to the topic—why or why not play the online games. 5. Divide students into two parts: ones for agreement, the others for disagreement, and ask students to write down the supporting ideas of for and against. .	5 mins	
Present and practice	LISTENING 6. First time: Students listen to the reading, but not write down the answer on the worksheet. 7. Second time: listen to the reading and write down the answers. 8. Check the answer: Choose the lower-achievement students to answer the question first.	10 mins	

	<p>LISTEN AND READ</p> <p>9. Finger reading: students read the reading along the CD.</p> <p>10. Papaya game</p> <p>11. Listen and read</p>	<p>3 mins</p> <p>3 mins</p> <p>3 mins</p>
	<p>READING COMPREHENSION</p> <p>12. Students do the worksheet and check the answers.</p>	<p>6 mins</p>
	<p>Language focus</p> <p>13. Review the verb phrases of daily life (with pictures)</p> <p>14. Lead the students to use the sentence pattern.</p> <p>15. Pair work: Students use the phrases to make questions and answer the questions in turn to finish the worksheet.</p>	<p>2 mins</p> <p>2 mins</p> <p>6 mins</p>
Wrap-up	<p>Exit review</p> <p>Students choose one sentence and write it down. Read it to the teacher.</p>	<p>5 mins</p>

Worksheet (p.76)

LISTENING

A. Fill in the blanks

two, three, school, bed, online

Dear Dr. Know-It-All,

I have a problem. I can use my computer only _____ times a week, and that's not enough. Also, at eleven o'clock, my mom always says, "Kevin, go to _____ now." This is not fair. My friends usually stay _____ all night. Why can't I?

Kevin

life, party, health, eyes, nose, eight

Kevin,

I understand your problem, but _____ is not always fair. Your computer time is not enough for you. But you know what? Your mother cares about your _____. She is right. Computers are bad for your _____. Look at my picture. See? I'm nearsighted. I always use my computer at least _____ hours a day.

Dr. Know-It-All
