

國小英語輔導團到校輔導公開授課—溪海國小

教學領域	English 4 <sup>th</sup> grade	教學時間	40 min (2020/10/22)
單元名稱	Can you swim?	教學設計 與演示者	Jessie Jan 詹椒青
教材來源	Dino on the Go! 3		
教學研究	教學重點	1. Vocab: dance, draw, fly, jump, read, sing, swim 2. Sentence pattern: I can, I can't , can you...?	
	教學目標	1. Ss will learn new words adopting phonics rule, reinforce their recognition and reading through lots of pictures presented on slides. 2. Ss will learn to decide what to say according to the scenarios given and make the proper responses or guesses.	
流程	<p><b>Warm up:</b></p> <p>Greetings. Get to know teacher</p> <p><b>Presentation:</b></p> <p>Ss see and read the slides, and listen to the T presenting 7 words.</p> <p><b>Practice:</b></p> <p>1. Ss look at the slides, while T says the words, Ss listen and choose the right words.</p> <p>2. T shows more pictures about the words, T reads many times, Ss listen, then Ss are asked to repeat, and the read by themselves.</p>		

3. T shows phonemes present in this unit and blend them with other letters to construct the vocabulary. Ss will learn how a word is formed and hopefully learn to adopt the phonics rule to learn new words instead of memorizing them.
- 4, Formative assessment will applied.

### **Production:**

1. T first give example by showing Ss a picture, and discuss with the class what this person can do or can not do, or if certain things can be done in a specific place.
2. A worksheet is giving to each group. ( group of 4 or 5). Ss will fill in or write according to the pictures they see.
3. Groups come to front to read and share their work.
