French Artist 法國藝術家

Christopher Boyd (Chris 克里斯)

Christopher Boyd, Age 26, is from France and graduated from ESA St-Luc Bruxelles (art school). After graduation, he stayed in Belgium (比利時) and began his travel life from January in 2017. He had visited some places in Asia, including Thailand (泰國), Myanmar (緬甸), Hong Kong (香港) and Taiwan.

Chris also went to many different schools around Taiwan during his trip. There were one kindergarten, six primary schools, one junior high school and one bookstore. To his surprise, he got incredible feedback through his sharing from one to another.

Chris loves Taiwan very much, and he planned to come back to Taiwan this year. Unfortunately, due to COVID-19, he could not come to Taiwan at this moment. Therefore, we will use high-tech equipment, which is called "Online Media Tutoring", to learn painting together with Chris. Please enjoy the class!!!
