學生將四季風光描述，在 Padlet 上面呈現

The screenshot shows a Padlet board with several posts. The posts are organized into groups and tasks. The main task is to discuss the impressions of a season and write a short story using rhetorical devices. The posts include:

- Task 3:** A post asking for impressions of spring with a picture of a field.
- Task 4:** A post asking for impressions of summer with a picture of a sunset.
- Task 5-2:** A post asking for impressions of autumn with a picture of a sunset.
- Task 5-3:** A post asking for impressions of winter with a picture of a sunset.
- Task 5-4:** A post asking for impressions of winter with a picture of a sunset.

Key text from the posts includes:

- Group 1: Differences between seasons.**
 - Summer: Used to be very rainy, now it's drier, less rain, unpredictable temperature, shorter rainy season.
 - Autumn: Used to be warm, now it's cooler, sometimes even like winter, sometimes even hotter, big changes.
 - Winter: Used to be high precipitation, now it's low precipitation, less snow.
- Group 2: Summer.**

Hot summer has scorching sun, makes people want to eat cold drinks. Although summer is long, it's full of vitality. It makes all living things feel the presence of life. Lake has no waves, midday sun is high, suddenly 'plop plop' rain starts in the afternoon. People bring colorful umbrellas. Summer is colorful and beautiful. People can't imagine, unpredictable, let's all embrace summer!
- Group 3: Autumn.**

Autumn is delicate, falling leaves are red and red, like a small musician, like a golden butterfly. Autumn is cold with a hint of warmth. Autumn is wise—it's not as hot as summer, not as cold as winter. Walking on the road, you can hear leaves沙沙 (shasha), one leaf, two leaves, three leaves... Each leaf uses its own strength to give people beauty, don't forget autumn is also harvest season, you can eat crabs, persimmons, and chestnuts, so hard to forget.
- Group 4: Winter.**

This close-up view shows three specific posts from the Padlet board:

- Post 1 (Green):** Task 3: "請各組互相討論將夏天給你的印象是什麼?用所學過修辭法寫下來並完成一篇小短文"
- Post 2 (Yellow):** Task 5-2: "請各組互相討論將秋天給你的印象是什麼?用所學過修辭法寫下來並完成一篇小短文"
- Post 3 (White):** Task 5-4: "請各組互相討論將冬天給你的印象是什麼?用所學過修辭法寫下來並完成一篇小短文"

Below the tasks, there are several student responses:

- Group 3: Summer** (by 60807侯伯欣):

炎熱的夏天有驕陽如火的太陽，會讓人想吃冰涼可口冰品。雖然夏日可畏，但卻是充滿生命力的季節。它讓所有生靈感受到生命的存在。湖面上沒有任何的波折。中午時豔陽高照，突然『嘩啦啦』下起了午後雷陣雨。民眾們紛紛撐起五顏六色的雨傘。夏天的季節果然是變幻莫測，讓人意想不到，無法預測。讓我們一起投入夏天的懷抱吧！
- Group 3: Autumn** (by 匿名 3天):

秋雨綿綿的細密的，落葉火紅火紅的，蟋蟀像小小的音樂家，銀杏像金黃色的蝴蝶，秋風冷冽中帶著一絲溫暖。秋天的美是理智的——它不像春那麼嬌媚，夏那麼火熱，冬那麼含蓄，走在道路上可以聽到樹葉沙沙響，一片、兩片、三片.....楓葉用自己的力量，帶給人們美，別忘了秋天也是收穫之季，能吃到螃蟹、柿子和栗子，令人難以忘懷。
- Group 3: Winter** (by 匿名 3天):

白色的雪花漫天飛舞，如同一個個翩翩起舞的小精靈，大部分動物都悄悄的躲藏起來冬眠，陷入沉沉的夢鄉，人們手捧暖爐，吃著熱騰騰的火鍋，啊！身心都溫暖了起來；突然一陣陣清香傳來，原來是梅花綻放，「呼~呼~」強勁的西北風吹過，讓路人紛紛裹緊了大衣。冬天，像一位冷豔的姑娘，給大地披上白紗。冬天，像一隻美麗的蝴蝶，孤獨的飛著。冬天，像一位舞者，在清冷的大地上舞動。讓我們張開雙臂，一起迎接冬天吧！
