The little prince lives on a small _____(1) with three _____(2) and a beautiful _____(3). He visits other planets, but he doesn't like them. Then he comes to Earth. He sees a lot of roses and gardens, but he feels lonely. He wants to go home, so he talks to a fox. The fox says, 'You are forever responsible for your rose.' The little prince loves his flower, but now he understands that love is important. Finally, the little prince gets to the _____(4). There's no water, so he can't go home. He asks the pilot beside a _____(5) a lot of questions and tells him about his travels. He meets a snake, and the pilot is very sad. But then the little prince says, 'I'm going to my planet tonight. I want to see my rose.' The next day, the pilot finds the little prince's body. He is very sad, but he knows the little prince is happy. The Little Prince is a _____(6) book. It's about friendship, _____(7), and _____(8). The little prince learns a lot, but he also teaches us about life. We understand the prince's _____(9) and we never _____(10) him.
