<p>題幹</p>	<p>I often hear people talk about their love for chocolate. <u>It makes my heart sink</u> because I know the <i>bitter truth</i> behind it. If you saw what I saw, you would feel the same. In the Ivory Coast, young children, some as young as 10, work long hours on cocoa farms. I saw them laboring under the hot sun, their small hands quickly picking cocoa beans. The farm owners make these kids work up to 12 hours a day. They look tired and unhappy.</p> <p>The children work hard, but they hardly make enough money to survive. It seems like they have no way out, with no chance to go to school or enjoy their childhood. If the chocolate companies stop using child labor, these children might have a better life. It's truly heartbreaking to think about the situation.</p> <p>If more people knew about this, they would want to have a change. We need to make the chocolate companies stop this wrong thing. If we all work together, we can make a difference and give these children the childhood they should have.</p> <div style="border: 1px solid black; padding: 2px; margin-top: 10px;"> 📖 hardly 幾乎不 survive 生存 seem 似乎 heartbreaking 令人 心碎 childhood 童年 </div>
